

AMLO speech to cooperate with Trump on preventing Migrants from reaching USA from Mexico and seeking wage parity for Mexico Border Area with U.S.

By Alfonso Galindo

AMLO chose Cd. Juárez as the place to start his Presidential campaign today April 1, 2018

The reason was that he announced a plan to stop migration to the US by creating a buffer zone of 30 km throughout the border , where taxes and prices and salaries should emulate the US.

He said that he would like to talk to Trump to find a joint solution and stop illegal migration.

Consulates will be legal offices to defend migrants abroad.
