*Submit your pictures to our Photo of the Day section*

HAVANA TIMES – You don't have to be a professional photographer, just send an image (in black and white or color), with a photo caption indicating where it was taken (city and country), type of camera or cell you used, and a small description about it.

Note: it is better for our format if you send horizontal orientation pictures. Even square will work but vertical is a problem.

Send your picture with your name and birth country, or where you reside, to this email address: [yordaguer@gmail.com](mailto:yordaguer@gmail.com) Also send a copy to [circlesrobinson@gmail.com](mailto:circlesrobinson@gmail.com).
